MYSORE P. W. DEPT.

TO THE DEWAN OF MYSORE

for Orders.

On the 4th August last, I sanctioned an Estimate of Rs. 2,842 for the construction of a Dispensary at Srinivaspur, Kolar District, recommended by the Senior Surgeon — pending settlement of the question of 1/3rd cost being contributed as usual by the Municipality of the place — I put up copy of Dr. Cowie's No. 1713/1103 dated 8th instant, just received from the Sr. Surg., representing that the Municipality of Srinivaspur is too poor to contribute towards the construction of the building, the balance at its credit being so small as Rs 323.

II Under the circumstances, I solicit sanction to the exemption, though I see no reason why Srinivaspur should be favored more than other Municipalities. I question the truth of the "alleged poverty" of this town.

reply to the reference said to have been made to him regarding the Municipal contribution for the work will be awaited. There appears to be no reason why the Municipality of Srinivaspur an apparently well-to-do place, should not pay its quota when other Municipalities do so. —
